Interreg Balkan-Mediterranean BALKANMED E-BP

BalkanMed e-Business pages is a project funded by European Union.

This project is building a Web Platform, which gives the possibility to register your business profile and cooperate with other business operators in the Balkan Mediterranean Area

Welcome to e-Business Pages Platform

A good opportunity to register profiles of your companies, business associations, clusters and business support organisations

CALL FOR FREE REGISTRATIONS

The e-Business Pages Platform is inviting to register 1000 companies, business associations, clusters, support organizations, etc. from the five countries: Bulgaria, Greece, Cyprus, The Former Yugoslav Republic of Macedonia and

Albania. Small and medium-sized enterprises from the sectors of production, export-oriented, agriculture, tourism, services, information technology etc. have the opportunity to record their profiles, products and services and post offers and requests for cooperation with counterparts in the region.

ABOUT PROJECT

The project "BalkanMed E-Business Pages" is implementing in the timely period August 2017 - July 2019.

Three main project's visible and tangible outputs jointly developed and implemented by the partners are:

One BalkanMed E-Business pages platform providing information on exporting SMEs companies' associations and clusters in the BalkanMed region

Four informative and giving practical advice tools in support of SMEs' competitiveness

Five seminars with representatives of the business will be organised, one in each partner country.
